

NJHSA 2023 Survey of Member Agency Lay Leadership NETGroup

The Network's Lay Leadership NETGroup meets throughout the program year as a forum for Network member agency board chairs, incoming board chairs and other board leadership to share information and resources and to learn about best practices. This Group has addressed a wide range of areas of concern for agency board leadership including board diversity, strategic planning and CEO search and evaluation processes. To help us with planning the content for the coming program year (resuming in the fall), we invite you to take a few minutes to complete this brief survey.

Our calls are typically held on Wednesdays from 7-8pm ET and invitations are sent 6-8 weeks in advance of each meeting. A full calendar of dates will be circulated in the fall.

We look forward to reconvening in the fall and to continuing to offer meaningful opportunities to support your role as lay leaders in your agencies/communities.

Thank you for your input and wishing you all a wonderful summer.

Jim Kahn, Chair, NJHSA Lay Leadership Committee
Past Board Chair, JFCS of Greater Philadelphia

Reuben D. Rotman, CEO
