

## **Chief Program Officer NJHSA**

The [Network of Jewish Human Service Agencies](#) is seeking a visionary and collaborative leader to assume the full-time position of Chief Program Officer. The successful candidate is one who is passionate about the Jewish human service sector and embraces the vision of the Network to advance and to strengthen that sector. This position will be based in Paramus, NJ and will require national and international travel. Key responsibilities include:

- development and oversight of all program content offerings of the Network,
- staffing of Work Groups/Committees and
- supervision of staff

The Network offers an employment package that includes competitive pay and comprehensive benefit offerings including medical, dental, vision, short term disability, PTO, 403B retirement plan with employer contribution and more. Letters of interest and resumes should be directed to [HR@networkjhsa.org](mailto:HR@networkjhsa.org).
