

Care Manager (Social Worker)

Alpert Jewish Family Service (AJFS) currently has an opening for a Care Manager/Social Worker within our Long Term Care Department. Our Care Managers assist individuals and families in maintaining and/or improving their independence, level of functioning and quality of life by providing for and/or arranging for an array of social services.

This position is responsible for the care management of assigned clients and collaborates with service providers, caregivers, families and members to ensure members are able to remain safely in their homes as long as possible and within the guidelines of the Program. Performing bio-psychosocial assessments in the home, developing service plans, referring for, coordinating services, counseling and supporting client's families, and monitoring the ongoing needs of the clients.

Candidate must be able to communicate well with professionals within and outside of the organization, as well as with potential members and their families. Time management and organization skills are essential in this fast-paced environment. A passion of working with the geriatric population must be evident in all interactions. MSW required; Three to five years' experience with geriatric and special populations. A valid Florida driver's license and proof of insurance is required for this position.
