With gratitude,

It's a long road we're traveling and one never knows when that next bump will surface. With your gift, we can

And it's people just like you who are helped by JFS each year. People like your best friend...your child's teacher... your co-worker...that nice family four houses down from you. They are just a few of the thousands who benefit from your kindness and generosity. And we hope we can count on your support this year.

And since 1928, Jewish Family Service has been helping people navigate around those unexpected rough patches, directing them to a smoother path, and finding a way to get them moving again.

We all hit the occasional bump in the road. It's just a part of life.
