CITY OF CHICAGO

LORI E. LIGHTFOOT
MAYOR

April 18, 2021

Dear Friends:

On behalf of the City of Chicago, I am honored to extend my sincere appreciation to the volunteers of CJE SeniorLife and welcome all those gathered to celebrate Volunteer Appreciation Week.

For more than 40 years, the Council for Jewish Elderly (CJE) SeniorLife has enhanced the quality of life and facilitated independence for older adults through community-based services. CJE would not be able to achieve their mission of uplifting and empowering seniors without the help of their dedicated, enthusiastic, and hardworking volunteers. From delivering meals, helping with group activities, giving companionship through calls and home visits, or assisting with transportation, the CJE volunteers help to bring comfort and cheer to our senior residents. Even during the pandemic, more than 75% of volunteers have remained actively engaged. I commend and thank the CJE SeniorLife volunteers for their ongoing commitment to making a real difference in the lives of so many.

I hope your event is memorable and enjoyable. Best wishes for continued success.

Sincerely,

A handwritten signature in blue ink that reads "Lori E. Lightfoot".
