	1	2	3	4	5	
Not interested and not ready	0	0	0	0	0	Very interested and ready

What are potential barriers to working in your assigned office space and/or office building? (Please check all that apply) *
My concerns for my health
My office is too small for the amount of people assigned to work there.
Having a client in my office is not possible.
Clients will be too close to me in my office.
There are not enough meeting spaces in our office to see family groups.
There are not enough meeting spaces for me to work with groups for workshops, etc.
Not having adequate cleaning in my office and in public spaces is a concern.
Not having adequate protections such as masks, wipes and sanitizer is a concern.
We don't have adequate space in our waiting areas to keep clients safe.
I am concerned about sharing the copier, phones and office equipment.
Other:
How interested are you in returning to work in the community (For example: having clients come into the food pantry, office hours in public places such as libraries, or working with clients for bus training or job interviews)? *
