

The Network's Role in Service Delivery

WHO IS THE “CLIENT”?

PAST OFFERINGS:

JPRO GROUPS, GRIEF GROUP

NEW REQUEST:

JOC PROFESSIONALS/LAY LEADERS IN FEDERATIONS

Questions to consider:

Who should staff the group offerings? -
NJHSA alone/NJHSA members/joint?

How should they be branded?

Should offerings be open to the general public
or limited to professionals/lay leaders?

Should NJHSA subsidize or should these be
fully funded?

Should offerings be time limited or ongoing?
