

LICENSED CLINICAL SOCIAL WORKER

JFCS of the Suncoast provides a wide variety of services addressing the needs of the young, middle aged and seniors. We help younger people navigate the path of being a teenager growing up in a challenging environment, middle-aged individuals get beyond living day to day by creating greater employment and financial stability, veterans secure the support they need to no longer be homeless, and seniors struggling with experiencing joyful lives in the face of isolation and loneliness. We do this in a beautiful, gulf coast community with world renowned beaches, an amazing array of things to do, and a cultural scene that makes you feel relaxed and that you are living in PARADISE.

Are you interested in being part of a dynamic, highly skilled team of psychotherapists who are recognized for excellence in providing trauma-informed, person centered psychotherapy services through outpatient and teletherapy sessions to individuals, groups, couples and families within a variety of populations?

If YES, and you have a minimum of 2 years' experience post Master's Degree, Florida Licensure preferred (will consider a registered intern), are familiar with trauma-informed theory and techniques, along with an excellent grasp of clinical theory and application of evidence- based practices in mental health and substance abuse, please send a cover letter and your resume to:
