

Mental Health Clinical Director (30-35 hours full time)

Dynamic LCSW with proven leadership skills, strong clinical skills and positive attitude to lead a growing mental health department serving children and adults in small family service agency in New Haven.

The right candidate will have exceptional organizational and administrative skills and understanding of regulatory compliance. Experience and comfort to engage in community outreach to help increase agency's ability to provide services to more people in need of therapeutic intervention. Experience in direct supervision of clinical staff and MSW students important.

Clinical experience with children and adults as well as groups required. Includes a small caseload.

Bi-lingual a plus.

Collegial working environment, (currently remote) very generous vacation, sick and holiday time and medical benefits. JFS is an Equal Opportunity Employer.

Proof of COVID vaccinations required. Resume and cover letter required. Please send to:
