The HSJN call-in hour is a Q&A conference call where pro bono attorney and social workers can request technical assistance concerning the ZRBG ghetto pension program, the one-time ghetto work recognition (GGWP) payment, Claims Conference compensation, or other Holocaust reparations matters. If you need help but are unable to join one of the scheduled call-in hours, please do not hesitate to contact staff attorney Lisa Hoffman at (323) 549-5850 or lhoffman@bettzedek.org.

The call-in hour is intended to provide technical assistance to pro bono attorneys and social workers who are assisting Holocaust survivors with their reparations matters. We regret that we cannot include survivors, their families, or other members of the public in this call.
