# What is Leading Edge?

## PURPOSE

Leading Edge exists to foster a healthy, adaptive, high-performing Jewish nonprofit sector.

## MISSION

Leading Edge influences, inspires, and enables Jewish organizations to improve performance continually through culture and leadership.

## VISION

Leading Edge envisions a sector of Jewish organizations in which high-quality, diverse leaders and talent are ready and supported to build great places to lead, work, and serve.

# What is the Employee Experience Survey?

Primarily the survey is a...

**A TOOL**  
to support organizations in  
understanding employee  
experience at work

**A MEASURE**  
of progress for individual  
organizations and the sector

**AN OPPORTUNITY**  
for employees to be  
and feel heard

**A FEEDBACK LOOP**  
for the organization  
that is normalized and  
part of the culture

**A CHANGEMAKER**  
for good in  
organizations and  
(hopefully) the sector

... and it is also a way to inform the work  
of **Leading Edge**, as well as various funders,  
national, and umbrella organizations

A string of nine colorful paper strips is hanging against a dark wood background. Each strip is held in place by a small wooden clothespin. The strips are arranged to spell out the words 'THANK YOU' in a cursive, hand-drawn font. The colors of the strips are: red for 'T', light blue for 'H', lime green for 'A', light blue for 'N', yellow for 'K', light green for 'Y', yellow for 'O', and light green for 'U'.
