For more information on these and other Network Exclusive Member Agency Benefits, please contact [Karen Rosen](#), Director of Membership Services at 201-977-2614.

The Network is pleased to provide its member agencies with access to products or resources offered and administered by independent third-party vendors. As a benefit of membership, the Network seeks to provide such access at group, discount, or similar rates otherwise unavailable to its members. The Network may receive affiliation or endorsement fees from vendors, which may help to offset costs associated with its vendor program. No access provided by the Network to a vendor is intended to constitute an endorsement by the Network of the vendor or its goods or services. Member agencies are encouraged to evaluate both Network affiliated vendors and comparable independent marketplace offerings to determine relationships, and products and services, appropriate to the Member's individual needs.
