Consulting Services

JMT Consulting (Consulting - Financial Management)

US & Canada | 25% discount

JMT focuses on management and finance solutions ONLY for nonprofits. We consult, recommend, then implement and support. But this focus and commitment would mean little if it weren't for the decades of expertise that JMT brings to each client engagement. Our unique solutions and support processes guarantee that your relationship with JMT is both long-term and successful. Our expertise allows us to mitigate risk, anticipate needs and make holistic recommendations.

Boyden Boston (Consulting - Fund Development)

US | 5%

Founded in 1946 by Sidney Boyden, we are a premier leadership and talent advisory firm with a world-wide reach that enables us to serve client needs anywhere they conduct business. As a Global Boutique, we combine a localised approach with global capabilities, connecting great companies with great leaders through executive search, interim management and leadership consulting solutions.

DHC Search (Consulting - Fund Development)

US | 15%

DHC Search, a retainer-based executive search firm working exclusively in the nonprofit sector will give members a discounted fee of 30% of the placed candidate's first year's annualized salary and waive their standard one-time start-up fee.

Employee Benefits

[C&A Benefits](#)

US | 10%

C&A is a fiercely independent group of strategic advisors. Independent from the misaligned incentives that have wreaked havoc on the delivery of employee benefits in the United States. Our independence is our competitive advantage. We are not beholden to shareholders, which allows us to work in your best interest every day. C&A is not driven to be the biggest, just the best, especially in customer service and innovative solutions. We partner with our clients to build lasting relationships, well beyond the first-year savings, to drive better outcomes for years to come.

Operational Savings

[Amazon Business](#)

US

Amazon Business enables members to access to hundreds of thousands of sellers who offer business-only selection, quantity discounts, and time-saving features that help businesses run better. [Nutrition for Longevity](#)

US

Nutrition for Longevity was founded on the passionate belief that what you put on your plate, can have a profound effect on your health. We are an organization focused on reviving the concept of "Food as Medicine" and broadening the healthcare toolbox to include food and nutrition education, not just for prevention, but also for intervention. We provide Home Delivery Meals, Medically Tailored Meals, Prescription Produce Boxes, Nutrition Counseling and Nutrition Education to prevent and manage chronic illnesses and disabilities.

Software & Tech Products

[BoardEffect](#) (Software/Tech - Board Engagement)

US, Canada & Israel | 15%

We empower transformational leaders with technology, insights and confidence to drive greater impact and accountability through a modern view of governance.

[OnBoard](#) (Software/Tech - Board Engagement)

US, Canada & Israel | 40%

Boards set the standard for what organizations can achieve. At OnBoard, we help boards function at a higher level so organizations can make a bigger difference in the world. We believe board meetings should be informed, effective, and uncomplicated. OnBoard gives nonprofit leaders an elegant solution that makes it easier to coordinate, communicate, and collaborate – empowering them to focus on realizing their missions for the organizations they govern. OnBoard also works closely with organizations like NJHSA, TechSoup, ASAE, and BoardSource to support and educate nonprofit directors, helping them achieve their mission as a board and evolve as individual board members.

[ACORN Collaboration](#) (Software/Tech - Client Care)

US, Canada & Israel | 25%

Acorn has succeeded in making outcomes measurement a reality for behavioral health agencies across the US, Canada, and Australia. They are offering Network members a discount from \$40/per clinician to \$30 (a 25% discount).

[Adhere.ly, LLC](#) (Software/Tech - Client Care)

US, Canada & Israel | 20%

To help therapists engage their clients in efficient, high quality, evidence-based healthcare through simple health technology solutions.

[Esther Giving](#) (Software/Tech - Client Care)

US & Canada | 15%

Does your organization currently give any financial assistance to clients, or are you considering it in the future? At ESTHER we help your organization firstly consider, and if appropriate, implement accountable giving programs. Purpose built for non-profits, the ESTHER platform enables your agencies and their staff to easily enroll and approve recipients, order prepaid cards with unique safeguards, monitor purchases and collect impact data for reporting. Our purpose is to promote independence for recipients and provide accountability to funders. Examples of ESTHER's use include: supporting women in shelters, young people aging out of foster care, and citywide transportation programs.

[Limbix/SparkRX](#) (Software/Tech - Client Care)

US

Our mission is to improve adolescent mental health with accessible technology. Limbix is passionate about delivering mental health treatment to young people who need it most when they need it most. The team is uniquely suited to develop digital therapeutics, as we understand the value of pairing clinical expertise with technological innovation. Our diverse team of clinicians, product designers, and engineers is dedicated to giving young people access to affordable, effective behavioral health care by building safe and evidence-based treatment options that providers can offer their patients.

[Memory Lane TV](#) (Software/Tech - Client Care)

US, Canada & Israel | 15%

Memory Lane TV offers a safe, effective, drug-free approach to coping with the day-to-day behavioral symptoms caused by memory loss. By applying scientifically proven sensory stimulation techniques, MLTV helps reduce stress, anxiety, and agitation – even “sundowning” – while also improving engagement and quality of interactions between the care partner and the individual with the diagnosis, among other benefits. This affordable solution delivers therapeutic audio-visual content via an easy-to-use media streaming service, and can even be augmented with optional aroma stimulation, specifically integrated with the content, for maximum benefit. Available on Apple TV, Roku, and Amazon Firestick, or by internet browser.

[Recite Me](#) (Software/Tech - Client Care)

US, Canada & Israel | 5%

Create an inclusive experience by providing accessibility and language options to enable everyone to customise your website in a way that works for them.

[Bonterra](#) (Software/Tech - Electronic Health Records (EHR))

10%

Savings of 10% on a first-year software subscription from Bonterra (formerly Social Solutions Global), the leading provider of impact and performance management software for human services agencies and nonprofit organizations

[Sage Intacct](#) (Software/Tech - Financial Management)

20%

Sage is the market leader for integrated accounting, payroll and payment systems, supporting the ambition of the world's entrepreneurs. Like many of the businesses we serve, Sage began as a small business and has grown beyond what seemed imaginable. Today, over 11,000 employees now support millions of entrepreneurs across more than 20 countries as they power the global economy. Our social and mobile technology provides live information so you can make fast, informed decisions anytime and anywhere in the world. We support our business builders for life by offering choice, support, expertise and innovation. We champion your causes and provide world-class advice and support when you need it most.

[Pantry Soft](#) (Software/Tech - Food Pantry Management)

15%

PantrySOFT helps our customers manage all aspects of their operation, from inventory logistics to client intake and reporting. PantrySOFT is a sophisticated piece of software with a focus on flexibility and customization for administrators. We provide a simple user interface for staff and volunteers of all abilities. Every purchase is also backed by the best ongoing support in the industry.

[Memory Fox](#) (Software/Tech - Marketing)

US, Canada & Israel

MemoryFox is a “storytelling” platform that the Network and members can use to collect stories from the staff and community. Members are entitled to a \$500 discount.

[Beacon40:BRIGHT](#) (Software/Tech - Other)

US & Canada

At BRIGHT, we believe that well-designed technology provides practical solutions that fit into our demanding days and helps to rejuvenate health, stave off disease and enables us to live more engaged lives filled with memories. Self-care is one of the most important and fundamental things we can do. Once you take care of your own cognitive health, you’ll feel better, be more focused and more equipped to care for your family and friends. BRIGHT developed BEACON40 lights to create easy-to-use daily habits that promote brain health and wellness. Our smart-home-connected BEACON40 systems deliver light flashing at 40Hz. This gives facilities and families the ability to access a science-based approach for cognitive health which is universally available without a doctor's prescription.

[Grant Station](#) (Software/Tech - Other)

US, Canada & Israel

Complimentary access to GrantStation Insider, a weekly e-newsletter featuring relevant funding opportunities. Additionally take advantage of a deeply discounted membership to GrantStation, which includes access to tools such as Grantmaker/Funder profiles which can be searched by geography, area of interest, type of support, and more. Membership also gives access to a personalized dashboard to save search results, prioritize leads, and plan next steps. There are also online tutorials on grant writing and key steps in submitting a successful proposal. Nonprofits pay \$699 a year for membership but with the Network, your agency can join for only \$95 a year.

[On the Go](#) (Software/Tech - Transportation)

US | 15%

On the Go is a nationally recognized and award-winning program of Charitable Adult Rides & Services (CARS), a 501(c)(3) social enterprise based that supports thousands of nonprofit organizations across the U.S. and Canada. CARS was initially established in 2003 as a subsidiary of Jewish Family Service of San Diego (JFS) to help fund transportation solutions to older adults in the San Diego community. After recognizing a national need for affordable and safe transportation and delivery services coordination for our most vulnerable populations, CARS has now expanded On the Go to offer its services to nonprofits across the country. On the Go is committed to improving lives with comprehensive transportation solutions that increase independence, social connection and access to essential services. On the Go partners with organizations across the country to provide a dependable rider-centered experience and customized solutions.

[Galaxy Digital](#) (Software/Tech - Volunteer/Community Engagement)

15%

It's pretty straightforward: we believe we can build stronger communities through simple technology that improves lives by connecting people, organizations, and resources. Our culture is built around succeeding together, celebrating success, and creating our own social change.

And of course...office dogs. And Taco Tuesdays.

[Sterling Volunteers](#) (Software/Tech - Volunteer/Community Engagement)

People First, Always. Sterling helps create people-first cultures built on a foundation of trust and safety. We understand that every employee and new hire contributes to the unique culture of your organization. That's why our global background checks and identity services are differentiated by unrivaled client service and deep market expertise to help you make confident hiring decisions that strengthen your organization and culture.

Training & Education

[ed2go](#) (Software/Tech- Training & Education)

US, Canada & Israel

ed2go was founded in 1997 to provide quality education the fastest way possible — online. What began as an email correspondent program has grown into a leading online continuing education provider, reaching life-long learners in 50 states and more than 16 countries. We believe that anyone can learn, and we exist to empower lives through education.

[Nevvon](#)

US, Canada & Israel | 15%

Nevvon is a global healthcare education company with an advanced e-training platform designed to simplify mandatory annual education for caregivers. Everything takes place through our simple, intuitive and user-centric app that lets your caregivers easily educate themselves at their pace and on their schedule. Our platform simplifies and streamlines your regulatory requirements in any State so you can focus on what matters most: running a successful business.

[Social Current](#)

US & Canada | 25%

Two Organizations Have Come Together.

The Alliance for Strong Families and Communities and the Council on Accreditation have joined to form Social Current. This is the start of something big. Because together with thousands of social-sector leaders, we will activate the power of the social sector to create a unified, intrepid, just, and purposeful network so that all people can thrive.
