Rebecca's Story

- How would your agency respond to this?
- What resources are there currently in your community?
 - Funding
 - Buildings
 - Staff
 - Volunteers
 - Hospitals & other medical resources (988)
 - Educational Programs (ex Mental Health First Aid)

+

Remind Respond React

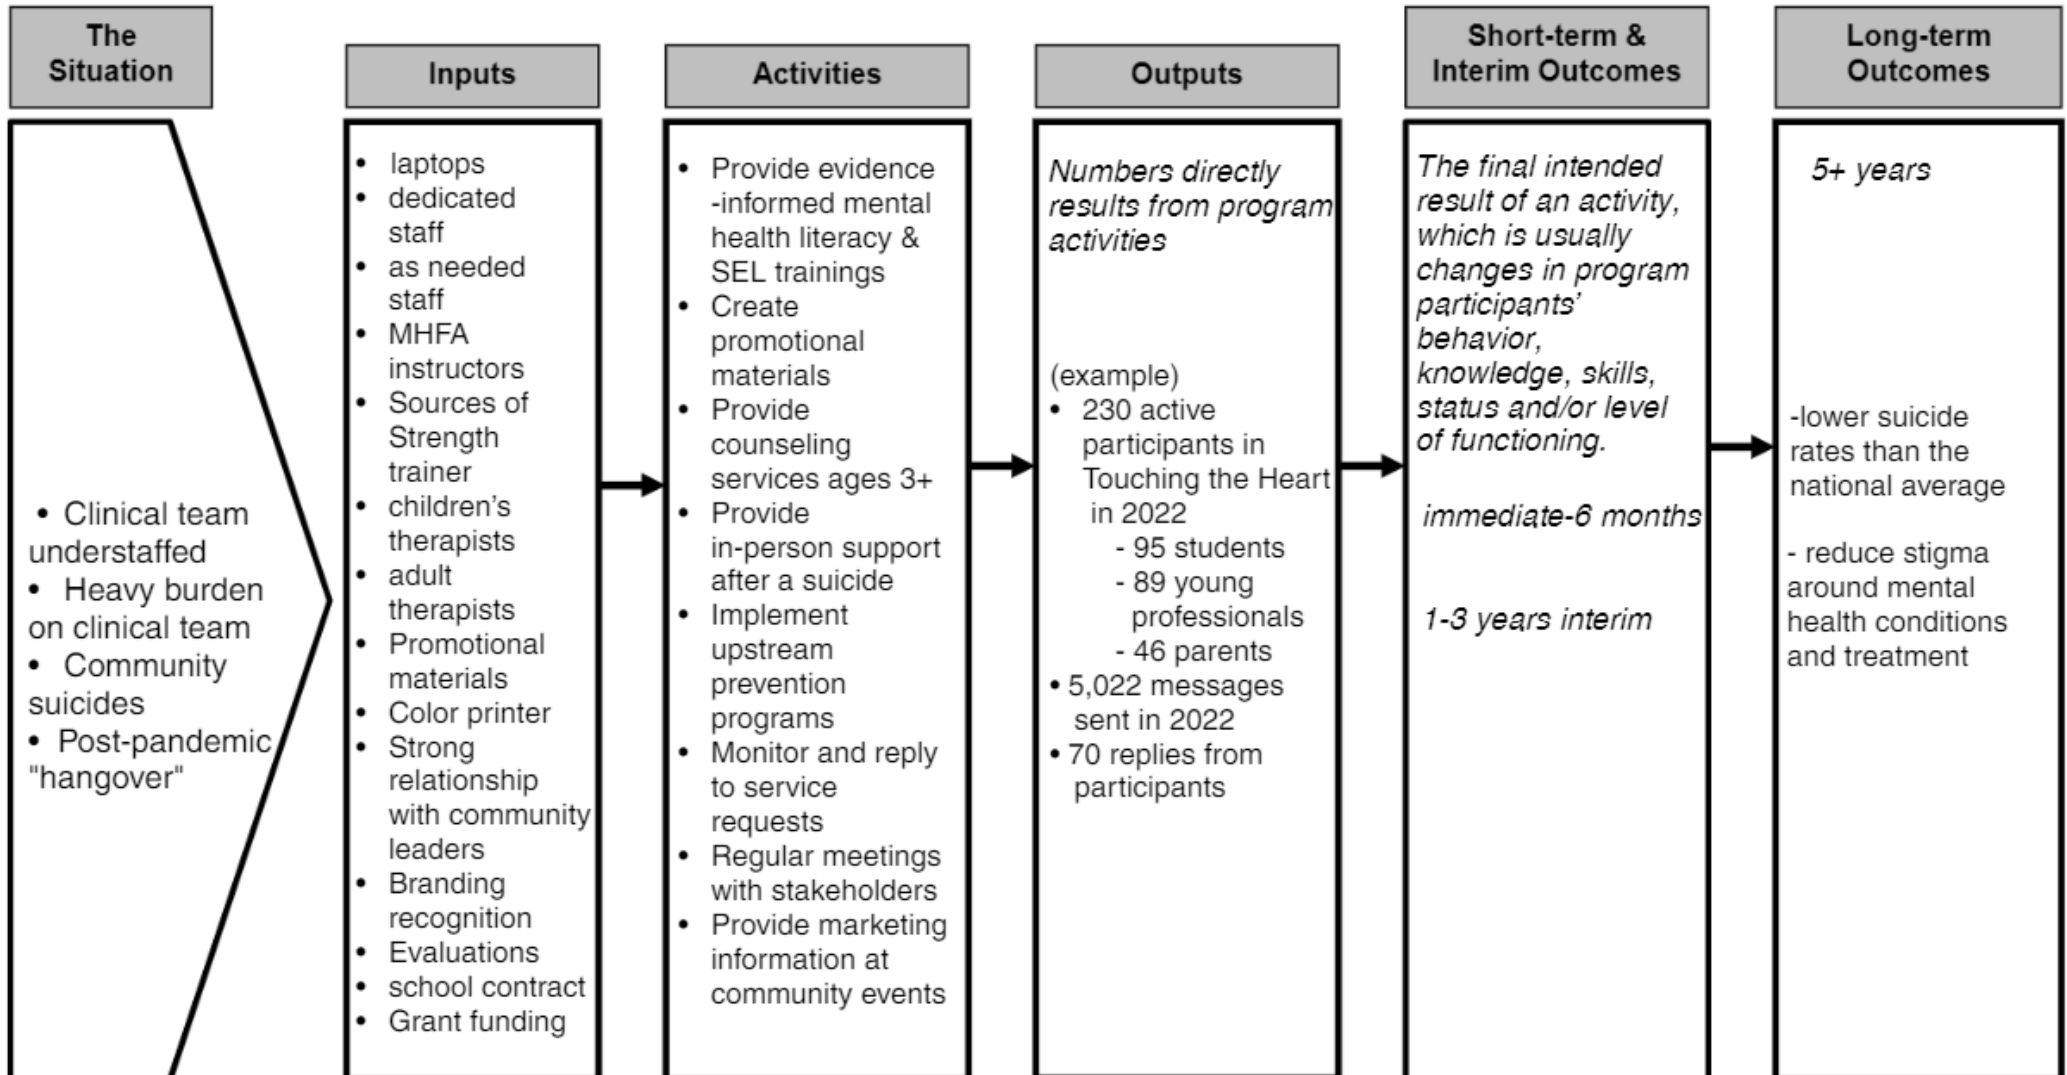

- Remind to cause someone to remember
- Responding is thoughtful decision making deliberate and considerate processing information
- Reacting - automatic immediate often driven by emotions or instincts – less affective

Flow of Community Crisis Response

Blueprint for Education and Awareness
