

COUNSELING FEE STRUCTURE

For those without health insurance, Jewish Family Service establishes fees on a sliding scale, based on total household annual income and number of family members. **Clients will need to present proof of income to be able to apply for the discounted rates**, in the form of the most recent tax return. Clients are responsible for all charges at the time of service. **There will be a charge of \$30.00 if a client does not show for their appointment or fails to cancel 24 hours prior to their session.** In some cases, this fee will exceed your sliding fee rate.
