## Sharsheret Summit Partner Toolkit

Thank you for partnering with us for the Sharsheret Summit, from October 9th to November 10th. This initiative, scheduled during October which is Breast Cancer Awareness Month, is your resource for the latest in breast cancer and ovarian cancer in the Jewish community. With your partnership, we will bring together thousands of people virtually and all across the country.

Our Sharsheret Summit partners can participate in this national initiative in any of the following ways:

- 1) Coordinate an event during the Summit and have your event publicized nationally on our Summit [event calendar](#).
- 2) Encourage your community to participate in Sharsheret's national virtual symposiums on the latest hot topics in breast cancer and ovarian cancer {link this}
- 3) Educate your community about breast and ovarian cancer screening by posting any of our [social media memes](#).
- 4) Share Sharsheret Summit information in your community newsletter.

However you choose to participate, Sharsheret Summit is **the** source for the latest information on breast cancer and ovarian cancer in the Jewish community.

The symposiums we are excited to be offering this year are:

- Navigating Ovarian Cancer: Enhancing quality of life
- Breaking Boundaries: Vaccine breakthroughs in BRCA and breast cancer prevention
- From Fact to Fad: Breast cancer and ovarian cancer screening options beyond the hype
- Cutting-Edge Innovations and Treatments for Tomorrow's Cancer Care
- The Impact of Culturally Competent Cancer Care: A training for healthcare professionals
- Sharsheret in the Kitchen: Effortless meals in minutes
- Book Club: "The Amen Effect" with Rabbi Sharon Brous

Dear Friends,

We wanted to reach out and let you know about an upcoming event we are excited to be partnering on. Sharsheret, the national Jewish breast and ovarian cancer organization, is hosting their free annual Sharsheret Summit from October 9th to November 10th. During October's breast cancer awareness month, we know that breast cancer is top of mind for so many of you. There are so many ways you can take action today:

- Participate in {your organization} community event.
- Join Sharsheret's national [virtual symposiums](#) on the latest hot topics in breast cancer and ovarian cancer with a special spotlight on advances in screening.
- Learn more about breast and ovarian cancer screening and hereditary risk for cancer. Talk with your doctor about a screening plan that's right for you.

However you choose to go pink and teal this fall, know that there is a community here to support and educate you.
